

Ignite a Church!

CONVERGE PacWest

paul@convergepacwest.com 209 830 6222

Join with Converge Churches across the nation who are praying, “God, how can WE join YOU in igniting a new church?”

Why is igniting a new church so urgent today? Our nation’s steady population growth means the percentage of Christ-followers in the U.S. is shrinking! Yet the opportunities to transform lives and communities are increasing. Crises and challenges in our society expand our opportunities to transform lives and communities through the power of the gospel!

We are asking Converge PacWest (CPW) pastors and their leaders to consider by prayer and courageous faith how you can join Jesus in building His church by igniting a new church in the next five years (2010-2015). Your response will help us know how CPW can best resource you.

Here are some ways you can Ignite a Church in 2010-2015:

By FAITH, our church will IGNITE a new church through PARENTING a new congregation.

- We will parent by sending a core group to a neighboring community.
- We will parent by sharing our facility with a new congregation with a different demographic.
- We will parent by partnering with another congregation to start a new congregation.

(Local CPW assistance and ConvergeUSA parent church network are available.)

By FAITH, our church will IGNITE a new CAMPUS church in your city or area (multi-site).

- We will expand beyond our current facility to reach people in a neighboring area.
- We will target an area where members are coming from a distance so they can reach their neighbors.
- We will explore multi-site models that best fit our mission to our area and resources we have.

(Local CPW assistance and ConvergeUSA multi-site learning community is available.)

By FAITH, our church will IGNITE a Church Planting Network to plant three or more churches.

- We will join a Church Planting Network to plant three new churches. *(e.g. LEAD Teams)*
- We will ignite three churches or campus churches to form a network for future planting.

(Local CPW assistance and ConvergeUSA coaching are available.)

By FAITH, our church will IGNITE a Church Multiplication Center (CMC) by planting five or more churches or campus churches.

- We will recruit staff that will launch new congregations from our church.
- We will send out campus pastors to shepherd campus churches (multi-site).

(Local CPW assistance and ConvergeUSA CMC learning communities are available.)

Please check the areas above to let us know how you have decided to IGNITE a church.
